Dearest Crusader friend,

I really appreciate you writing to me and my friends here at the Sanctuary. Your contact is vital to the wellbeing of all concerned. You see, your correspondence begins the healing process! How good of you to share your confidential information with us. It will be cherished and treated in absolute confidence, only to be shared with God!

You will have noticed that the 'Crusader' magazine has not arrived and that is because we have not been able to raise sufficient funds to cover production and postal costs. It is only available as a 'virtual' magazine on the Internet but not in hard copy. I was thinking, perhaps you could help your friends at the Sanctuary to remedy that problem? All we need is for our membership to donate a little and often and we can start publishing the 'Crusader' magazine once more. Please will you help? If we receive a positive response in the next couple of months then the 'Crusader' magazine will be published and your part in this special project is vital!

Yours sincerely,

B no. Andrew

No evidence of cancer at all!

“A couple weeks ago, I asked for prayer for my friend R. N.’s mom, Betty. She had been found with a bunch of tumours in the neck down into the chest cavity. The hospital in East Texas was not able to handle this and sent her down to MD Anderson.

Well, they got the results back from MD Anderson today. They found that the tumours are all benign!!!! They said that the East Texas Hospital must have misread the biopsy because there was no evidence of cancer at all; just the growths which do need to come out. Misread the biopsy???? How about the power of prayer?!!!! Betty is now working to schedule the surgery to remove the growths... But you know what? God can remove them Himself too!

I do not know why in some cases prayer really changes the outcome and other times it does not. Bit I sincerely believe that this time prayer made the difference!

Thanks,

B.” – Email received 01.06.09

he Anchor of My Life

Brother Andrew

To be cast adrift in a sea without an anchor must be a major worry to any seafarer, and in just the same respect, many of us are in a similar position, metaphorically speaking. We have lacked support and a point of contact and never realised it until things started to go wrong. Then we start to search for answers. We start to look for a port to shield us from life's storms and an anchor to prevent us from drifting in an ocean of problems. Some find the harbour quickly whilst others take considerably longer.

Let's ask the Father to step in when things go wrong because He will offer His protection to each and every one of us, when we ask! We are beloved of the Father, He created us and it is He that cares for us. Remember Jesus when His disciples sailed on the Sea of Galilee, that must have been initially very worrying for the crew.

"But the ship was now in the midst of the sea, tossed with waves for the wind was contrary. And in the fourth watch of the night Jesus went unto them ,walking on the sea. And when the disciples saw Him walking on the sea, they were troubled, saying, It is a spirit; and they cried out for fear. But straightway Jesus spake unto them, saying, Be of good cheer; it is I; be not afraid. And Peter answered Him and said, Lord, if it be thou, bid me come unto thee on the water. And He said, Come. And when Peter was come down out of the ship, he walked on the water, to go to Jesus. But when he saw the wind boisterous, he was afraid; and beginning to sink, he cried, saying, Lord, save me. And immediately Jesus stretched forth his hand, and caught him, and said unto him , O thou of little faith , wherefore didst thou doubt? And when the were come into the ship, the wind ceased." (Matthew Ch.14 vs: 24-32.) **Why not let the Lord calm the storms in your life?**

The Divine Word – Brother Mandus (part 1)

I AM your Heavenly Father, and I come to you now as the living Presence within your own being. There comes a time in the life of all My Children when realisation awakens. There comes a time when those who have already experienced My Love are ready to be lifted into an even higher state of consciousness. Because I am your Father I am forever creating ways for you to expand your consciousness in harmony with My Own Perfection.

Turn away from the World for awhile and listen to Me! Forget yourself and realise that I am God, the Christ Spirit within you now. You and I are one. We never can be separated because you are of My Own Being. My Life is your life. My Mind is your mind. My Love is your love. You are exactly as I am in miniature, with the same eternal life and an infinite potential for increasingly wonderful expression. You are because I am.

I have been with you from the beginning and I never cease to bathe you in My Love. I lead you, protect and cherish you as My Own. In all My Realms of material Worlds and spiritual heavens I have only one you. I created you that you may grow in love, wisdom, knowledge and joy. I see for you adventures beyond your greatest dreams. I long for you to take all the gifts which I have prepared for you. As quickly as you learn to know Me you will realise that I can only give you everything you desire. All I have, all I am, is your own for you to accept.

I AM the Perfect Life within you. I am health and happiness, peace and prosperity, love and laughter, wisdom and all knowledge. I am the abundant life. All these things you already possess in My Spirit. My Universe has been evolved through My Own Being. I hold it poised in My Mind. I live in the midst of it. I am the Life that springs forth in trees and flowers and in every growing plant and fruit. I am the Life and Beauty of the World and of Man. - ***Part 2 will appear in my next 'Messenger.'***

The 'Divine Word' is available FREE if you write in and request it!

YOUR DAY WITH THE FATHER

MONDAY

When anyone truly finds the peace and power of love and faith, they seldom revert to the futility of personal strain and struggle.

TUESDAY

We are not bodies, but spirits; in prayer we worship God in spirit and in truth.

WEDNESDAY

Jesus revealed the Father of love, compassion, forgiveness and all good.

THURSDAY

“What things soever ye desire, when ye pray, believe that ye receive them and ye shall have them.” – Jesus – Mark 11:24

FRIDAY

You will never find judgement or condemnation in the Father. In Him there is only absolute love, ever extended to bless even the most hardened sinner when we turn to Him.

SATURDAY

The more we fight a weakness the stronger it becomes. The more we strain and use will power to overcome it, the more power we give to the difficulty.

SUNDAY

No matter what WE think we want, the eternal truth is that our *only real need* is to allow the will of God to be done in us.

Book Review

The Divine Awakening

“Brother Mandus has given us a courageous and truthful book which is well worth reading. On the basis of what he says in ‘The Divine Awakening’ we wish him well with his work in Blackpool.” – Methodist Recorder

For Women Only with Mankind in Mind

“To read these pages in quick succession, through a chapter at a time is the better method for women, it is a humbling experience. Brother Mandus believes with deep sincerity – and give sound reasons for his belief – that woman is the queen of the Earth, if only she will aspire to the God-given role that is her.... The book may be called devotional in the highest sense of the meaning of that word.” - Jane Sheldon in the Methodist Recorder.

Highways To Health and Happiness

Brother Mandus relates his personal thoughts about how best to achieve spiritual and physical balance in an ever changing world. He tells us that our eternal goal is Paradise and explains how Christ through His teachings can make that goal a reality. We are perfect in spirit but weak in flesh and through prayer, the perfection can and does manifest in the physical being. Follow the route that God has planned for you!

Faith

I cannot see the tree;

It is too dark,

Yet I know it is there.

I cannot hear the birds,

Yet I know they are in the trees.

I cannot feel the water;

It is too far away.

I cannot smell the cool reassuring wind;

It is calm outside and the window is closed.

I cannot touch the Lord,

Yet I know He is there.

Within the tree,

Within the birds,

Within the water,

Within the cool, reassuring wind,

Within me.
